

DES MOINES

BALLROOM

Instructor Training

Training requirements for all new instructors require attendance of the 8-week Beginner Rhythm and the 8-week Beginner Smooth classes, either simultaneously or in continuation of one another. In addition, two or more private lessons are required per week with a lead instructor for the 8 or 16-week period.

Following this initial training period, trainees will be assessed and may be offered a junior instructor opportunity, but it is not a guarantee.

Training will be offered on a rolling basis starting July 2021.
